Players are ranked by total net score with tie breakers factored in.																				0	
Tie breakers are settled by using the USGA-recommended method of back 9, back 6, back 3, etc.																				0	
Most of the stats are based on net scores for all players (qualified and not qualified) except for average score.																				0	
* Players may drop out of contention during the season if they do not meet the playing requirements (example, miss a designated tournament).																				0
