Poplar Creek Golf Club

**Razzle Dazzle format:**

Play the tees indicated on your scorecard.

Switch scorecards with your playing partners.

- 40% of the high handicap player and 60% of the low player's handicap will be used for the tournament. The 8 stroke differential rule is not in effect.
- **Holes 1 thru 6, Scramble:** A 2-Man Scramble format is when two players each hit a tee shot, the better of the two shots is selected and both players play from that spot, continuing in that fashion until the ball is holed. One team score is recorded. **Both players may mark, pick, clean and place ball within 1 club length of spot in the same cut of grass or bunker before hitting the chosen ball.** Each team must play 2 tee shots and 2 second shots per player in the 6 Scramble holes. **Place a 1 or 2 or D or S in the box for some indication which player hit the drive and which hit the 2nd shot.** No bumping in a hazard. If you must play a ball in the hazard the 1<sup>st</sup> player plays it as it is. The 2<sup>nd</sup> player, with the approval of your opponents, will place the ball as nearly as possible in the same position as the original ball and play from there. You may putt with your own ball. Place hole gross score below.
- \*2-stroke penalty for **each** shot required and not hit.
- **Holes 7 thru 12, Modified Alternate Shot:** **Lift, clean, place within 1 club length, same cut not nearer to the hole.** This is the one that confuses everyone so please read carefully! In this format no player hits the same ball two consecutive times on one hole. A par 3, 4 or 5 are all played using the **same following procedure.** Partners A and B both tee off, player A then hits B's ball and B hits A's ball for each of their 2<sup>nd</sup> shots. After each player has hit a tee shot and his partner's ball for his 2<sup>nd</sup> shot, players A and B then select which ball they want to finish the hole with. Players A and B then alternate hitting **that one ball** until the ball is holed out. **At no time do you hit two consecutive shots on one hole. A penalty stroke is not considered a shot.** Don't get confused! If both tee shots are on the green on a par 3 or 4 you still must hit your partner's ball for your second shot. You must alternate shots beginning with your team's third shot on every hole! Place hole score below.
- If the *partners* make a *stroke* or *strokes* in incorrect order, such *stroke* or *strokes* are canceled and the side incurs a penalty of two strokes. The *side* must correct the error by playing a ball in correct order as nearly as possible at the spot from which it first played in incorrect order (see Rule 20-5). If the *side* makes a *stroke* on the next *teeing ground* without first correcting the error or, in the case of the last hole of the round, leaves the *putting green* without declaring its intention to correct the error, the side is disqualified. (Rule 29-3)
- **Holes 13 thru 18, Team Best 1-Ball.** **Lift, clean, place within 1 club length, same cut not nearer to the hole.** On the score card write in each players score and then place the best gross score below. Team handicap will be subtracted after totaling team **gross** score for all 18 holes.

As always the local rules posted on the 2<sup>nd</sup> and 16<sup>th</sup> tee are not in effect. . Any shot hit out of bounds must be replayed applying the appropriate stroke and distance penalty.

***All newly planted trees are staked, take stance and swing relief, Rule 24-2b.***
